Resolutions unanimously passed by the Conference held at the Sri K. Puttanna Chetty Town Hall, Bangalore, under the Presidentship of Sri Pattabhiraman B.A., LL.B., M.L.A., Advocate, Kolar.

RESOLUTIONS.

1. The benign Government have not definitely declared their defined policy about the status and position of the Village Officers in the State by curtailing even the fundamental rights vested under the Constitution. This Conference condemns this policy of the Government to pass immediate orders in the matter of, they, being decided either as salaried servants of Government or free public men.

2. The continuance of the Village Officers in the State as hereditary Offices, even for the future, is not in pursuance of the Constitution of India and therefore this Conference urges the Government to acquire these hereditary "haks" of the Village Officers immediately, compensating them by payment of at least 30 years potigi and further urges the Government, not to postpone this matter, any longer under any circumstances.
